Dear Sir:

In accordance with Rules 1.56 and 1.98, the references listed on Form PTO-1449 are hereby brought to the attention of the Examiner as being possibly material to examination of the subject patent application.

Form PTO-1449 (2 pages) is enclosed with a copy of each and every reference cited on Form PTO-1449.

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on

This Information Disclosure Statement, which is being filed after the first Office Action, but before a Final Action or Notice of Allowance, is being filed pursuant to an Office Action mailed 13 July 2004 in which the Examiner indicated that copies of certain references cited in the Form PTO-1449 filed with the Information Disclosure Statement filed with the subject application on 09 September 2003 were not present and, thus, were not considered. Applicants respectfully urge that copies of all of the references cited in the Information Disclosure Statement of 09 September 2003 were, in fact, enclosed therewith. In support of this assertion, Applicants are enclosing a copy of the return receipt postcard stamped by the mail room of the U.S. Patent and Trademark Office evidencing receipt of "copies of each and every cited reference." In view of the fact that copies of the references enclosed with the present Information Disclosure Statement have already been submitted and received by the U.S. Patent and Trademark Office, Applicants respectfully urge that the fee normally required to be paid for the submission of an Information Disclosure Statement after the first Office Action should not have to be paid and Applicants respectfully request that the fee requirement in the instant case be waived.

Notwithstanding, if it is determined that the fee set forth in 37 CFR 1.17(p) is, in fact, required in order to have the enclosed prior art references considered, the Commissioner is hereby authorized to charge the fee set forth in 37
